

NIGERIAN NUCLEAR REGULATORY AUTHORITY
NOTIFICATION ^a FORM
FOR INTENTION TO DEAL ^b WITH RADIATION SOURCES ^c

Complete this notification form and return to the address below. Where space is insufficient for any item, attach additional signed sheets

1a. Name and address of the person, Company, Organization, etc. making the Notification

Tel:

Fax:

e-mail:

b. If a Company, Organization, etc, state the full name and position of a contact person together with their contact details

2. Occupation, nature of the business, etc.

3. Purpose (s) for which the radiation sources are or will be used.

4. Particulars of the radiation sources used, stored, manufactured or otherwise dealt with (or to be dealt with) on the premises (if space is insufficient, please complete and attach additional sheets with the information shown below. If a radiation source has no label, provide any identifying information that may be available including copies of any relevant documents).

RADIOACTIVE SOURCES

Nuclide (eg Ir-192)	Activity (Becquerels)	Activity Date	Physical Form (unsealed, sealed, solid, liquid, gas, etc)	Use or Intended Use

ELECTRICAL DEVICES PRODUCING IONIZING RADIATION (e.g. x-ray equipment, accelerators, cyclotrons, etc)

Manufacturer	Model / Year of Manufacture	Serial Number	Maximum Power (e.g. max radiographic kVp, mA)	Use or Intended Use

NOTES:

a) An owner (or the person in possession), company or organization who have completed Authorization form need not complete the Notification form.

Authorization application forms are available from NNRA or may be downloaded from www.nnra.gov.ng

b) "Deal" means to possess, store, manufacture, sell, use operate, import, export or any other meaning given in Act 19, 1995.

c) "Radiation Source" means any radioactive substance and any electrical device that produces ionising radiation when energized. It includes sources that the owner or the person in possession has reason to believe are, or should be, exempt from regulatory control. NNRA will rule on the exemption status of any particular source and inform the holder accordingly.

Return the completed and signed form to NIGERIAN NUCLEAR REGULATORY AUTHORITY, PLOT 564/565 AIRPORT ROAD, CENTRAL BUSINESS DISTRICT, PMB 559, GARKI, ABUJA. Fax: 09 2343122, Telephone 09 2343158, 092343123.

Notification is free
