**AUTHORIZATION FEES FOR OIL AND GAS OPERATIONS  
INDUSTRIAL RADIOGRAPHY AND NUCLEAR WELL LOGGING PRACTICES**

In the exercise of Powers Conferred by Sections 12 and 47 (1) (C) of the Nuclear Safety and Radiation Protection Act 19 of 1995 and Regulation 84 (a) – (d) of the Nigerian Basic Ionizing Regulations 2003 (NiBIRR 2023), the NNNRA with the approval of the Board hereby prescribe fees payable for Authorization, Registration, Licensing, Permits, and any other services it shall render in the current practices of the schedule of fee below.

SN	PRACTICE	AMOUNT	RATE
1	<b>INDUSTRIAL RADIOGRAPHY (OIL &amp; GAS)</b>		
1a	<b>Radioactive Source Based</b>		
i	Registration of Premises Certificate	₦500,000.00	per site per annum
ii	Licence to Use Radioactive Sources	₦750,000.00	per annum
iii	Licence to Import Radioactive Sources (not more than 200Ci)	₦500,000.00	
iv	Licence to Import any additional 100Ci Sources after the first 200Ci	₦250,000.00	
v	Licence for Transfer of Radioactive Sources (Transferor and Transferee)	₦2,500,000.00	per transaction
1b	<b>Industrial X-ray Machine Based</b>		
i	Registration of Premises Certificate	₦500,000.00	per site per annum
ii	Licence to Use	₦500,000.00	per annum
iii	Licence to Import Industrial X-ray Machine	₦250,000.00	per machine
iv	Licence for Transfer of Industrial X-ray Machine (Transferor & Transferee)	₦1,500,000.00	per transaction
2	<b>NUCLEAR WELL LOGGING (OIL &amp; GAS)</b>		
2a	<b>Radioactive Source Based – Neutron Sources</b>		
i	Registration of Premises Certificate	₦25,000,000.00	per site per annum
ii	Licence to Use Radioactive Sources	₦25,000,000.00	per annum
iii	Licence to Import Radioactive Sources (not more than 20Ci)	₦2,500,000.00	per transaction
iv	Licence to Import any additional 10Ci Sources after the first 20Ci	₦1,000,000.00	per transaction
v	Licence for Transfer of Radioactive Sources (Transferor and Transferee)	₦20,000,000.00	per transaction
vi	Export Licence	₦100,000.00	per source
2b	<b>Neutron Generator/Guage Based</b>		
i	Registration of Premises Certificate	₦5,000,000.00	per site per annum
ii	Licence to Use	₦5,000,000.00	per annum
iii	Licence to Import Neutron Generator/Gauge	₦1,500,000.00	per unit
iv	Licence for Transfer of Neutron Generator (Transferor and Transferee)	₦5,000,000.00	per transaction
v	Licence to Temporary Store Neutron Gauge Source at Licensed Radioactive Waste Storage Facility	₦1,000,000.00	
v	Licence to Temporary Store Neutron Gauge Source at Licensed Radioactive Waste Storage Facility	₦2,000,000.00	
2c	<b>Radiotracer Technique</b>		
i	Registration of Premises Certificate	₦5,000,000.00	per site per annum
ii	Licence to Use	₦5,000,000.00	per annum
iii	Licence to Import Radiotracer Sources (not more than 1Ci)	₦4,000,000.00	per transaction
iv	Licence to Import any additional 1Ci after the first 1Ci	₦1,000,000.00	per transaction
2d	<b>Drilling Operations Registration</b>		
i	Registration of Land Drilling Rig (if sources are kept on rig)	₦25,000,000.00	per rig per annum
ii	Registration of Shallow Water Drilling Rig	₦30,000,000.00	per rig per annum
iii	Registration of Deep Shore Drilling Rig	₦50,000,000.00	per rig per annum
iv	Registration of Drilling Site	₦10,000,000.00	per well per annum

2e	<b>Abandonment of Radioactive Sources</b>		
i	Licence to abandon radioactive sources in a Well (Well Owner)	₦50,000,000.00	per well
ii	Licence to abandon radioactive sources in a Well (Source Owner)	₦25,000,000.00	per well
iii	Environmental radiological Monitoring Charges (Well Owner)	₦10,000,000.00	per site
2f	<b>LICENSE TO IMPORT/EXPORT TRANSPORT CONTAINERS MADE OF DU MATERIAL</b>		
	License to Import Transport Containers made of DU Material	₦100,000.00	Per container
	License to Export Transport Containers made of DU Material	₦100,000.00	Per container

### AUTHORIZATION FEES FOR URANIUM MINING

In the exercise of Powers Conferred by Sections 12 and 47 (1) (C) of the Nuclear Safety and Radiation Protection Act 19 of 1995 and Regulation 84 (a) – (d) of the Nigerian Basic Ionizing Regulations 2003 (NiBIRR 2023), the NNRA with the approval of the Board hereby prescribe fees payable for Authorization, Registration, Licensing, Permits, and any other services it shall render in the current practices of the schedule of fee below:

SN	PRACTICE	AMOUNT	RATE
<b>1</b>	<b>URANIUM EXPLORATION AND MINING</b>		
i	Licence to site uranium mining and milling facility	₦10,000,000.00	Once per site pa
ii	Licence to construct uranium mining and milling facility	₦6,000,000.00	Once pa
iii	Licence to commission uranium mining and milling facility	₦4,000,000.00	Once per site pa
iv	Licence to operate uranium mining and milling facility	₦10,000,000.00	per annum
v	Licence to decommission uranium mining and mills	₦10,000,000.00	
vi	Licence for closure, clearance and release facility	₦40,000,000.00	End of facility use
<b>2</b>	<b>MINING ACTIVITIES ASSOCIATED WITH RADIOACTIVE ORE/NORM RESIDUES</b>	-	
i	Accreditation to conduct mining activities	₦500,000.00	per biennium
ii	Licence to process radioactive ORES	₦500,000.00	per biennium
iii	Accreditation for sale and supply of NORM residues	₦500,000.00	per biennium
iv	Accreditation certificate to export NORM residues (for more than 0.01Bq/kg)	₦300,00.00	per kg/ transaction Biennium
<b>3</b>	<b>Transportation of Material Contaminated with Naturally Occurring Radioactive Material (NORM)</b>		
i	Accreditation Certificate	₦750,000.00	per annum
ii	Registration of Vehicle to Transport Radioactive Sources	₦250,000.00	Per vehicle per annum
<b>4</b>	<b>Transit of natural uranium through Nigeria</b>		
i	Permit to Transport Natural Uranium Through Nigeria	USD \$500	per ton per annum
<b>5</b>	<b>ADVANCED NUCLEONIC INSTRUMENTATION FOR SECURITY AND ENVIRONMENTAL MONITORING</b>		
i	Registration of Premises	₦5,000,000.00	Biennium
ii	Licence to use	₦3,000,000.00	Biennium
iii	Licence to Import Nucleonic (not more than 50mCi)	₦1,000,000.00	per annum
iv	Licence to import and additional 50mCi after the first 50mCi	₦500,000.001	per annum
